Credit Score Monitoring*

Get to know your credit a little better.

Whether you're working toward a goal or just checking in, Credit Score Monitoring makes it easier to understand where you stand. See your credit score, follow changes over time and learn what may affect it. You can also explore your debt and see how different credit choices could influence your score, all at your own pace.

Credit Report Score

See your score and detailed report

Credit Score Factors

Get detailed insights on the six credit score factors

Debt Analysis

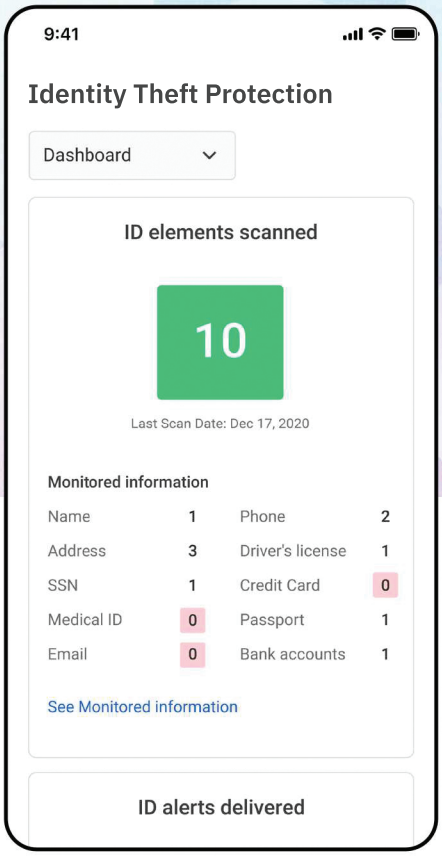

Displays total open balances, monthly payments, and a debt to income ratio calculator

Credit Score Tracker

See your credit score history

Identity Theft Protection*

Looking out for your personal information. And helping you when you need it.

Your personal information is part of your everyday life. Identity Theft Protection helps you keep an eye on it with monitoring and alerts that let you know when something may need a closer look. If your identity is compromised, you don't have to figure out the next steps alone. Restoration support can help you work through the process.

ID Theft Insurance and Restoration

Flexible insurance + restoration from $1M[1,2] of protection against identity theft.

Change of Address Alerts

Detect and be alerted when there has been an unauthorized change of address.

Neighborhood Watch

Monitor up to three addresses for existing registered sex offenders and know when new ones move nearby.

SSN Monitoring with SSN Action Alerts

Detect and prevent identity theft occurring outside of the credit bureaus' vision.

Dark Web Monitoring

Scan the web for fraudulent use of your personal information.
